Date: August 4, 2011

To: Barometer Subscribers

Results derived from Western Wood Products Association's 2010 Annual Mill Operating Survey have been compiled and tabulated. Final revisions for 2010 have been made in all WWPA statistical reports. Revisions to 2011 data (year-to-date) have also been applied and are reflected in this edition of the *Barometer*.

Sincerely,

Gregg Andrews
Data Systems Manager
