Dear Lumber Track Subscriber,

Canadian lumber production activity data provided by Statistics Canada is still unavailable at this time. Statistics Canada is unable to provide a timeline for the release of the January 2020 and later lumber production survey data, due to the COVID-19 situation.

This issue of WWPA's Lumber Track publication is a preliminary version, which includes all data with the exception of Canadian lumber production activity provided by Statistics Canada. Data that is currently not available is indicated by **N/A** throughout this report.

Preliminary monthly Lumber Track reports will be updated and reissued as complete versions, as soon as the Canadian data is available.

Thank you for your understanding and patience with this situation.

For further information, please email: wwpa_mailroom@wwpa.org.

Thank you,

The WWPA Lumber Track Team

Lumber Track
